I concur with Will's edits as well. I've included a minor edit in the second to last paragraph (after hearing from Jeff Dillen), so that it reads:

The timing of today's decision resulted, in part, from litigation brought by Northwest Environmental Advocates (NWEA) against NOAA and EPA in 2009.

Thanks, J.

All: Here are my edits on top of Michael's. Two points to note:

Ex. 5 - Deliberative

Ex. 5 - Deliberative

3. We have no need to say that Dennis lives in Seattle. We do not want to trigger those Oregonian/Washingtonian rivalries.

Have at it all. Thanks for the good improvements, and the chance to look it over.
